Dear Lord Moore

Congratulations and welcome to the RSA Fellowship. Joining the RSA is a great decision, becoming part of a network of 29,000 Fellows who want to change the world for the better.

Building on our history spanning over 260 years, we aim to solve some of today's greatest challenges. I would like to take this opportunity to personally thank you for helping us to achieve our aims, enriching society through ideas and action. Our work could not happen without you.

This is just the start of your journey as a Fellow; you should have already received an email welcoming you to the RSA explaining how you can begin getting involved. Enclosed is a copy of our award-winning publication, the RSA Journal. As one of the main ways we inform you about our work, I hope it inspires you and gives you some insight into how to begin your journey.

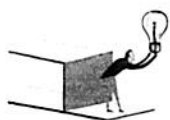

You can also now find other Fellows based on their skills, interests and location and manage all your Fellowship information online. Visit www.thersa.org/login/ to sign in and update your personal profile.

Below, you will find your Fellowship Card. Please bring this if you visit the RSA House. As the central hub for the Fellowship, the House is open to all Fellows and their guests. If you have any questions, please contact us on +44 (0)207 451 6860.

I look forward to meeting you and I hope you enjoy everything the RSA and the Fellowship has to offer.
